All School Play

Thank you to our wonderful students and staff for a fabulous performance. If you have video or pictures you would like to share with your classroom teacher please do so. The children love to watch themselves perform!

The Dessert to Go sale was delicious and a huge success raising over \$800.00. Thank you for your generosity!

Thank You for Noticing

As I have walked the halls over the last week it has been great to receive or overhear the compliments regarding the new tables and chairs and room arrangement. Cornerstone has been saving for a number of years to be able to make this purchase. Your children love their new spaces and the classroom arrangements have positive influence on the learning environment. Simple things that we often overlook like the depth of discussion that now takes place during mealtimes at the smaller tables was noted in every class.
