What we wondered...

This month's unit of study was: Beginning The Year. We wondered what our new friends and teachers name would be. We wondered what the different centers were called and how to play in them. We read so many stories and learn new rhymes! After reading "Three Little Kittens," we wondered how the three little kittens lost their mittens.

Classroom Reminders

Remember to check your child's mailbox daily for important notices and their wonderful art!

Our class trip to the fire station will be on Monday October 28th. We are excited to see the fire trucks, meet the firemen and hear all about fire safety!

Please send in a family photo, if you haven't already done so! Thank you!
